

# Talking points

## **Who has/hasn't worked on video production before?**

Sude heeft niet eerder gewerkt in video productie. Dat geldt ook voor Sara en Ciarán.

## **Which creative skills you might be able to utilise for your video?**

Sude is skilled in photography, so that is where she can contribute.

Sara is good in (traditional) drawing, we can potentially use this for a stop-motion type of video.

Ciarán is great at explaining stuff and wants to learn manim. So that means that we can do a voice over which explains the video.

## **What kinds of styles do you like to watch yourself?**

Sude likes to watch montages and crashcourse videos.

Ciarán likes animated styles for scientific videos, such as 3blue1brown.

Sara likes the Kurzgesagt videos.
